JANUARY 2020

Rooted in Love, Grounded in Grace, Growing for God

Dear Friends,

In January, we begin the season of Epiphany—the season of light, where we celebrate the light of Christ come into this world. We in the church are the ones who share the light because the light of Christ has been given to us. We share the light in the church and in the world.

I read a selection about what the Church is all about. I thought how beautiful and how fitting because I see us in this poem. It is written by Ann Weems, and is titled, This Church.

"We don't pretend to understand the mystery of what goes on in God's church.
We just know we feel a pervading spirit of love that reaches into the niches of all of us and pulls us out into the open, free and alive and belonging.
We believe this spirit of love exists because God's Spirit lives within this church, this unity of persons trying to be the Good News.
We see this Church as a circle of persons holding hands...and dancing...supporting each other, accepting each other, loving each other.
Each person in this circle of love is facing outward...reaching into God's world, listening for the whimpering, watching for the hurting, willing to offer a cup of cold water in His name.

Sometimes they need the water; sometimes you need the water; sometimes I need the water.
Being a part of the Church means knowing that the cup is always filled in His name."

Thank you for your generous response to the Angel Tree, the Christmas Bells, the Community Outreach, and the donations to the Salvation Army bucket, as well as filling the Toys for Tots box. You have shined your light brightly into our community.

We seek to be faithful to the call that we share in ministry together. We do this so that we can be faithful to the task of being grounded in grace, living in love, and growing for God.

In Christ's Love,
Pastor Mark

Sunday Evening Class

Detours—The Unpredictable Path to Your Destiny

Our new class will be starting on January 12, from 6:00—8:00 p.m. We will be studying the life of Joseph using a DVD series from Tony Evans, along with a workbook for each participant. Here is a brief overview about the class, taken from the workbook.

"In this small group study, Dr. Tony Evans uses the epic faith, life, and career of Joseph to teach that God is more interested in your development than your arrival. Like Joseph, a kidnapped and enslaved boy who grew up to save an empire, the obstacles and obstructions in your life can lead to real accomplishments. Granted, detours are anything but convenient. They take you out of the way. They are longer than you originally had planned to travel. But they are necessary. God allows detours in your life because He cares more for your character than your comfort, more for your purity than your productivity. He cares about your destiny!"

Please sign up by January 5 if you plan on attending. We want to make sure that we have enough workbooks for everyone.

Welcome, Elizabeth

We would like to welcome Elizabeth Krouse as our new organist. She will start at St. Andrew on January 5. Elizabeth loves to play the organ, and has composed many organ pieces that have been published in The Organist's Companion. She comes to us from a church in Middletown. Please take a moment to say hello to Elizabeth, and welcome her to St. Andrew.

Sunday School Snippets

Toddler Class: The Toddler Class is learning that Christmas is all about the birth of Baby Jesus.

Pre-K Class: Congratulations to **Kohen Dayhoff** and **Elsie Majeski** for memorizing their Bible verse, "Christ is the head of the Church." Ephesians 5:23. The Pre-K students are learning that God gave us the church. We can learn all about God and Jesus from the Bible. Together we can pray and thank God.

Kindergarten/1st Grade: Congratulations to **Marc Mbella** for memorizing his Bible verse, "God sent His Son." Galatians 4:4. The class is learning that Jesus is coming soon.

2nd/3rd Grade: The students didn't need the trumpets, but made plenty of noise and brought down the walls of Jericho. They are now studying the Old Testament book of Judges with the twelve tribes, learning the support God gives to the military leaders who trust and believe in Him. We are discovering that following God's ways are best.

4th/5th Grade: They have been studying the Christmas story. The Bible verse they have been learning is, "But God chose the foolish things of the world to shame the wise, God chose the weak things of the world to shame the strong." I Corinthians 1:27.

6th-8th Grade: The 6th-8th grade class has been looking at the Book of Judges with focuses on how God uses our weakness as strength, how God places leaders in our lives, the consequences of following the wrong leaders, rebellion and the consequence of rebellion, and finally, the choices we make and the consequences.

Thank, You, Sunday School

Thank you to the Sunday School students who brought in their Sunday School offering to support two programs of Samaritan's Purse, Care for an Orphan, and Hot Meals for a Child. They raised a total of $150.00.

Start the New Year Right by Attending Sunday School!

What better way to start off the new year than by attending Sunday School. We have classes for all ages.

The children's Sunday School starts each Sunday in the sanctuary from 9:45-10:00 a.m. During this time, we say the pledges to the Christian flag and to the Bible. We also have a devotion and take an offering. Our offering goes to support programs from Samaritan's Purse, an organization run by Franklin Graham, son of the late Billy Graham. We also sponsor two children from the organization, Compassion International. Part of our offering goes toward the ministry of our local community and church. At 10:00, all children are dismissed to go to their classes. Parents/grandparents, if you have a child in the 3rd grade or below, please pick them up from their Sunday School class at 10:45. Students in grades 6 through 12, your classes start at 9:45 and end at 10:45.

We have two adult classes. The Voyager Class meets in the conference room. This is an interactive, discussion oriented class. They choose a book to read and discuss. They are currently reading The Purpose of Christmas, by Rick Warren. All books are provided for the members of the class. There is also a time for prayer concerns. The Seeker Class is taught by Pastor Mark and Hank Hemphill. They meet in the Legacy Hall. This class is an in depth Bible Study. They are currently studying II Samuel.

Health Hints

Get Up and Live

If you want to live longer, spend less of your day sitting down. In a recent study of 8,000 people aged 45 and up, researchers concluded that substituting 30 minutes of sedentary activity with 30 minutes of light physical activity, like a short walk, correlated to a 17% lower risk of early death. Doing modest to vigorous activity correlated to a 35% lower risk.

Want to Feel Better? Get Up and Take a Walk

Experts have known for a long time that exercise improves the way we feel, as fast-paced activities heighten our heart rates and send "feel-good hormones" throughout our bodies. Recently, researchers at New Mexico Highlands University discovered that running and cycling sent pulses of blood to the brain with each footfall or push of the pedal. The question remains: Does a gentler activity like walking have the same effect? The researchers monitored 12 volunteers as they walked on a treadmill. The volunteers were connected to heart monitors and ultrasound machines, which confirmed that walking does indeed send blood to the brain, more so than cycling, but less than running.

2020 Parish Information

What is a Parish, and which one am I in?

Every church member, their family, and people attending on a regular basis are placed in one of fourteen parishes. A Deacon is appointed as the Parish Leader. Parishes are set up so you don't get lost in the congregation. It is the duty of the Deacons to minister to those who are in need, to the sick, to the friendless, and to anyone who may be in distress. The goals of a Parish Leader are to provide opportunities for people to know and care for one another. We are to minister specifically to those in need the sick, and to anyone who may be distressed or lonely. If you don't know what Parish you are in, pick up one of the alphabetic listings from the informational table in the parlor. If you are not already in a Parish and would like to be included, please contact Jen Metz or Pastor Mark.

Attendance/Offering Envelopes

It is very important that each person sign the attendance pad (located in the center aisle of each pew) individually, and not just listed as last name of the family, and use your offering envelopes. Our church secretary, Kathy Dorwart, keeps records of attendance by individual name, and offering. When you sign the attendance pad, your presence during worship is recorded and shows you physically support our church. When you use your offering envelopes, you get credit for your donations for tax purposes and show you are financially supporting our ministry. Members who do not attend a worship service or support the church financially at least once during a one or two year time frame may be moved to the inactive member roll. For these reasons, it is important to sign the attendance pad and use your offering envelopes. If you are unable to physically attend church or to financially support our ministry, please let Pastor Mark or our secretary, Kathy Dorwart, know.

St. Andrew Communication

We communicate by using a calling post message. The telephone calls come from this number in Oklahoma, 405-308-4474. We put messages out for reminders or changes to events.

We also communicate by email, standrewdeacons@myactv.net. We use the email to send weekly prayer requests, activities, and other events.

We also have a church Facebook page, St. Andrew Presbyterian Church and St. Andrew Youth Group, so please like our groups so you can see what's going on!

If you aren't on our calling post or email list, and would like to be, please fill out the information below and drop it in the offering plate or put it on the secretary's desk. It will be given to Jen Metz, Deacon Moderator, so you can be added.

Welcome to 2020! As a new year begins, it is common for people to feel a sense of excitement about starting a new year and leaving the old. January can also be a time when cabin fever starts to set in. The days are short and cold, and it can seem as if the bleak days of winter will stretch on forever. I like to think it is a time to be excited, and learn something new in these months that tend to be a little slower paced. For some of you, perhaps this will be joining me for a crochet class. If this isn't your speed, I challenge you to find something new you wish to try. For today, I will leave you learning about something you might not know health wise, Thyroid Disease.

January is National Thyroid Awareness month. The thyroid is a small gland responsible for producing hormones that play a crucial role in many of the body's systems—from cells and tissues, to organs like the heart, brain, liver, and kidneys. Dysfunction occurs when the thyroid produces either too much or too little thyroid hormone. Some thyroid diseases you may or may not have heard of include: Graves' Disease, Hashimoto's Thyroiditis, hyper/hypothyroidism, just to name a few. Any disease of the thyroid can disrupt healthy functioning of vital organs, leading to a wide range of symptoms, depending on the cause of the thyroid issue. The good news? Once diagnosed and treated, it's entirely possible to live a normal, healthy life. A simple blood test can determine the health of your thyroid. But why? The thyroid is a small gland with major impact. It is a small, butterfly shaped gland at the base of the neck that produces thyroid hormones. These influence how all other cells, tissues, and organs function. Thyroid dysfunction can have hundreds of possible symptoms. Symptoms vary widely and diagnosis can be difficult, so keeping detailed records will be a significant help to your doctor. Thyroid disease affects an estimated 30 million Americans, yet at least half of these cases are undiagnosed and, consequently, untreated. Although women are five times more likely to develop thyroid problems than men, it can happen to anyone. Diagnosis is the key. With a proper diagnosis, thyroid dysfunction can be successfully treated. Let this serve as a reminder that the next time you see your primary care physician, ask them if you need to have your thyroid checked. If you are having unexplained symptoms, talk to your doctor. A simple blood test just might provide some answers to an underlying medical condition.

Crochet 101 will be held on January 5, 19, and 26, from 12:15—2:15 p.m. Have you ever wanted to learn to crochet and just didn't know where to start? Join me for three interactive, hands-on weeks of learning everything about beginner crochet. This class is designed for the person who knows nothing or almost nothing about crocheting. Over the course of three weeks, you will have a completed project or two. There are samples of the projects you can choose from. I would ask that you plan accordingly so you can attend all three dates. Any questions, just ask me. I am excited to share this craft with you. The class is limited to eight participants, so sign up soon!

Week 1: Introduction to all things crochet (yarn, hooks, etc.). We will start to practice with my hooks and yarn. At the end of this week, everyone will need to go and purchase yarn and hook of their choice for the project they have picked for the class.

Week 2: Let's begin. Everyone will start their project. This will be mostly spent on working on individual projects, reviewing some of the basic stitches, discussing reading a pattern, and talking about fun crochet terms such as "frogging" and "yarn chicken".

Week 3: It's a wrap. We will complete our projects and celebrate what we have learned. We will work on new stitches such as BLO, FLO, FPDC, etc., talk about washing and blocking projects, how to decrease stitches, changing colors, and what to do now with our new talents. We will take a group photo and celebrate our accomplishments!

You will pick from the following project list during week 1 of the class: "Something to wear"-scarf, "In the kitchen"-wash cloth option 1 or 2, "For the coffee/tea drinker"-easy cup cozy, "For the book lover"-book mark, "To keep warm"-baby/lap blanket.

*If you are already skilled at crocheting, we welcome you to join us for a time of fellowship.

Pastoral Care

This year, the Pastoral Care Committee wishes to honor our Pastor and Director of Christian Education by providing a monthly framework for congregational prayers on their behalf. The theme for January is "All Things New". Throughout the month, consider the many new ministries introduced by Mark and Annette. Examples include but are limited to:

New program ideas (Sunday evening Bible Study, Parish Nurse)

New leadership opportunities (Youth Ministry, Youth Deacons and Elders)

New teaching opportunities (Sunday School, VBS)

Inviting and welcoming new faces to become involved with church events

Remember to pray regularly that God renew them in body, mind, and spirit each day as they minister to the evolving needs of our church family.

Correspondence Bulletin Board

Please check out the correspondence bulletin board in the hallway. There are cards waiting for a personal note to our college students. Take a moment to send our away college students a card.

Thank You

We appreciate the generosity of this congregation, from the individual gifts to the gracious church gift. We appreciate how you care for us.

Thank you to everyone for their prayers, cards, visits, and kindnesses throughout Dana's surgery, and as he goes through his long term healing. We are blessed to have such a supportive church family.

Alice & Dana Johnson

Thank you to Helping Hands for giving me such a wonderful gift for Christmas! You know where my favorite store is to shop! I am so blessed by your thoughtfulness, kindness, and generosity. I am also blessed by your servants' heart for your work for the ministry of the church. Thank you once again!

With love, Annette

Thank you to the Presbyterian Women for treating us to such a nice lunch and gift on December 10. We enjoyed the food and the wonderful fellowship that afternoon. Thank you so much for your kindness and generosity!

With love, Mark and Annette

Thank you to the Presbyterian Women for the generous Christmas gift, and the invitation to your Christmas luncheon.

Love, Kathy Dorwart

Thank you for the thoughts and prayers during my recent illness. I am now home, and hopefully on the return to a normal life. Your calls, cards, and visits were wonderful and deeply appreciated. It is grand being a part of a caring church family.

Frances Wolford

Thank you to the Fellowship Committee, who provided a delicious lunch for all of us to enjoy at our Birthday Party for Jesus. Thank you to all who came out to help celebrate the birthday of our Lord and Savior.

Thank you to whomever put the hand lotion in the women's bathrooms. It comes in very handy during these dry, cold, winter months.

Library

While the weather outside is frightful, stay inside and warm up with a good book. Here are a few to try:

John's Story: The Last Eyewitness, by Tim LaHaye and Jerry B. Jenkins, recounts the personal and spiritual journey of the only apostle who died from old age rather than martyrdom.

Sommerfield Trilogy: Bygones, Beginnings, Blessings, by Kim Vogel Sawyer. Enjoy three stories in one book. Great for cold, wintry days. Set in a Kansas Mennonite community, three women seek a place to belong.

Chicken Soup for the Soul books just might keep the flu away! Full of inspiring stories and helpful insights, their uplifting messages of hope and inspiration will warm your heart and soothe your soul. Choose from a variety including Teenager's Soul, Mother's Soul, and Pet Lover's Soul.

One Night with the King DVD: Watch the story of Esther and how she was willing to sacrifice her life for her people. View prior to seeing the Sight and Sound theater production.

Stewardship

Our 2020 hopes and dreams for our ministry are supported by church finances, coordinated by our staff, managed by our committees, and accomplished with help from many volunteers. Because of your generous financial support, by mid December there were 97 pledges returned. We will have an ice cream sundae celebration as soon as we reach our goal of 108 pledges. Remember, a pledge can be any amount, funded throughout the year or as a one-time donation. Thank you for your continued support of our life-impacting ministry.

Membership

The New Year arrived along with a list of resolutions, which are often forgotten by the end of the month. Perhaps one of your resolutions is to become a more faithful and active church family member. These suggestions may help you keep that resolution:

Attend worship services and Sunday School regularly.

Join a committee that interests you and support the activities they sponsor. Through committees, we minister to needs within our church, in our community, and throughout the world.

Participate in one or more of the Bible Studies offered. Pastor Mark leads Bible Study on Thursday evenings. Bible Studies for Presbyterian Women and Presbyterian Men meet once a month.

Continue to welcome visitors to our church. Your words of welcome may be just what they need to hear. Encourage them to sign the attendance pad and offer them a visitor bag from the welcome table.

Join us at the January coffee hour/New Member Reception when we'll honor our newest members: Lu Armengol, Allie Babb, Ellen Barr, Jenny Brown, Wes Brutcher, Felicia Candela, Shemar Carrington, Hannah Coyle, Juanita DiFilippo, Eric Gavin, Jeremy Hemphill, Hayden Llewellyn, Will McKinley, Mike May, Mary Mosley, Ken Perko, Allen and Stephanie Ragland, Dick and Ellen Sousane, and Ralph and Brenda Sterling.
