APRIL 2019

Rooted in Love, Grounded in Grace, Growing for God

Dear Friends,

In this column this year, we are going to focus on what it means to be a member of, or attached to, a church. Last month, we looked at the fact that we are to be in service to one another as the means by which we show the love of Christ.

The Book of Order, which defines our day to day activities as a Presbyterian congregation, states that another aspect of being a faithful member means, “living responsibly in the personal, family, vocational, political, cultural, and social relationships of life.”

Since church membership means that you are proclaiming that Christ is your Lord and Savior, this declaration needs to be reflected in every area of your life—from personal to social to job to political to cultural. As we take Christ into every area of our lives, into all of who we are, we factor our thoughts through the Bible. As we are more familiar with the Scripture, we then apply it to our thoughts about the culture, entertainment, vocational pursuits, politics, family interactions, etc.

We use Jesus as our guide in these matters. It is then that we realize that leading someone back to God is more important than what TV we watch or candidate we support. We realize that our family is a gift to us, and we need to cherish them in the love of Christ, assisting them in learning about and loving Jesus Christ by bringing them to Sunday School, by making Bible Study a priority, by making Sunday worship attendance a regular part of who we are instead of something we do if there is nothing else to do.

As we faithfully serve, we do receive strength to deal with all of the areas of our lives because we are plugging into the strength promised—Christ Jesus. As we are faithful in the areas of our lives given to us, we will shine as Christ’s own. Then God will give assurance that He is working through us and in us as we faithfully discharge the responsibility given to us.

As the faithful ones, as members and attenders of the Church, when we live out the love of Christ, we show others that we are truly grounded in grace, that we live in love, and are growing for God.

In Christ’s Love,
Pastor Mark

Youth Group

The Youth Group will meet on April 14 and 28. We will not meet the 7th as we just had a retreat, nor will we meet on Easter, the 21st. Remember that we have the friends challenge going—the group with the largest amount of friends, middle school or high school, will have a pizza party at the end of the spring.

Each month, the Youth Group has taken on a different ministry aspect. In April, we will host the Easter Carnival as our gift back to the community.

Presbyterian Men

The Presbyterian Men will meet on April 16, at the Hagerstown Family Diner, at 6:30 p.m. This is a great time of fellowship, Bible Study, and looking to see how we can benefit the church. All men are welcome to attend.

Presbyterian Women

Bible Study

The Women's Bible Study will meet on Tuesday, April 9, 2019. There are two groups that meet at St. Andrew on the second Tuesday of each month. All women are invited. Lesson seven of **God's Promise** is "God With Us As Emmanuel". The Bible Study is led by Pastor Mark. Please join us.

The morning group meets from 10:00—11:15 a.m. We will be going to lunch afterwards at UNO's. Please sign up.

The evening group meets 7:00—8:15 p.m. Child care is provided. Please let Rebecca Collinson or Pastor Mark know if you will need child care.

PW Coordinating Team

The PW Coordinating Team will meet on Tuesday, April 9, at 8:30 a.m.

Holly Place

The Presbyterian Women continue to col-

lect: boxes of tissues, toilet paper, paper towels, adult Depends (or other brands) size L or XL, NO diapers, and laundry detergent. Put donated items in the tub marked Holly Place, located under the counter in the parlor. Thank you for your continued support in this PW mission.

Buckeye Making

The Presbyterian Women will be making Buckeyes on April 1 and 2, at 9:00 a.m. Men and youth are also welcome to come help.

Save the Date!

May 18 will be the Men's Yard Sale and the Women's Bake Sale. Details and sign-up sheets for the bake sale will be coming. Think about what cookies, brownies, candy, pies, cakes, or soups you would like to make for the bake sale.

If you have anything for the yard sale, please bring it in to the church. If you are unable to transport it, please contact Daryl Warrenfeltz to arrange for pickup.

Vacation Bible School

We had a great preview on March 24 as we went In the Wild and discovered all the exciting things that will be happening the week of VBS, **June 17-21**. If you were not able to come to the preview, but want to be a part of this exciting ministry, there is a sign-up sheet in the parlor for you to sign to volunteer. We need volunteers in all areas.

There will be children's registration forms in the bulletin each week. Please sign your children up on this form and place it in the offering plate or on the secretary's desk. We encourage friends to come to VBS. At the sign-up table in the parlor there are guest registration forms. Help yourself to some of these forms and invite your friends. Bring the completed forms back and place them on the secretary's desk. Thank you.

****Pastor Appreciation Trivia****

Each year, the Pastor Care Committee comes up with a unique way to show Pastor Mark and Annette appreciation for their servant hearts and ministry. This year, there will be several questions about both of them in each newsletter. After their many years of ministry at St. Andrew, how well do you know our Pastor and our Director of Christian Education? Answers can be found in the April 7th bulletin. This month's questions focus on favorites:

- What are Mark and Annette's favorite hymns?
- What are their favorite Bible verses?
- Who are their favorite authors?
- Who is Mark's favorite superhero?

Directed Scripture Reading

All year, we are going to have a directed Scripture reading. Beginning with Lent, we will be directing you to read a specific Scripture each day. Ponder on it. Meditate on it. Allow it to speak to you. Each year, we have sought to give you a means by which you can go deeper in your faith. Here are the Scriptures for this second month of the walk:

April 1	Psalm 27	April 16	Psalm 42
April 2	Psalm 28	April 17	Psalm 43
April 3	Psalm 29	April 18	Psalm 44

Congratulations to those below who completed last month's word search. This month's Biblical Word Search is "The Crucifixion of Christ". As you do this word search, be reminded of the great sacrifice that Christ made on your behalf. Please turn your paper in to the office with your name on it by April 15 so we can recognize you in the next newsletter. Large print copies are in the parlor.

Toddler Class: The Toddler Class is learning about the great things that Jesus did. They are also learning about the importance of prayer.

Pre-K Class: Congratulations to **Josiah Kesler, Elsie Majeski, and Sutton Risley** for memorizing this month's Bible verse, "Worship the Lord" Psalm 96:9. The children all enjoy taking turns for blessing our food. The students are learning that singing and making music is an important way to worship God. They also learned that we can all give to God, no matter how young we are; and how important it is to listen to God's Word.

K/1st Grade Class: Congratulations to **Natalie Knepper, Colton McKinley, and Lily South** for memorizing this month's Bible verse, "Worship the Lord with gladness; come before Him with joyful songs." Psalm 100:2. The students learned this past month that we can worship God in many different ways, including giving gladly, reading and listening to His Word, and praying.

2nd/3rd Grade Class: The students are learning about the miracles that Jesus performed. They also learned that Jesus, the Son of man, can forgive sins.

4th/5th Grade Class: Their lesson themes include: that Jesus loves us even though we sin, that He wants us to be in His family, that He can help us with all of our needs, and that knowing the Bible helps us to know Jesus.

6th-8th Grade Class: The students have been talking about Jesus' qualities, achieving goals, and resisting temptations when they come our way.

9th-12th Grade Class: The class is digging deeper into the stories of the Old Testament.

In March, the Kids of the Kingdom learned the reason for celebrating St. Patrick's Day. St. Patrick's Day is usually associated with the color green, shamrocks, leprechauns, etc. The children learned the real meaning of the holiday. Patrick was born in the British Isles. When he was a young boy, he was kidnapped and sold into slavery in Ireland. Patrick escaped and went to France, and studied religion. Patrick decided that he wanted to go back to Ireland to tell the people about Christianity. At that time, Ireland was a pagan nation, and worshipped all kinds of gods and spirits. So great was the love of Patrick for the people of Ireland that he was willing to risk the very real possibility of imprisonment, torture, and death to spread the Gospel to this pagan nation. Since Patrick had lived there for many years as a slave, he understood the language, people, and their customs. Patrick used the shamrock, which is found all over the country, to tell the people about Christianity. He explained that although it is one plant, it has three separate parts. He explained that each leaf illustrates a different aspect of God: God the Father, the Creator; God the Son, Jesus our Savior; and God the Holy Spirit, our Comforter. Patrick died on March 17, 461, and the church made him a saint because of his spreading Christianity to a pagan country.

The Legend of the Shamrock

St. Patrick picked a shamrock out of Ireland's green sod,
And said, "Behold a symbol of the Trinity of God!"

As the students learned the story of St. Patrick, it was a great time to explain the Trinity to the children. We did several crafts that illustrate the concept of the Trinity—God the Father, God the Son, and God the Holy Spirit. One Sunday, an egg was brought in. We saw that it was one egg, but it has three different parts—the shell, the white, and the yolk. We even frosted pretzels and sprinkled green on them just for fun. There was one pretzel, but it had three distinct parts to it.

In April, we will be continuing our Journey of Lent. The children have a Lenten challenge that was sent home in the beginning of Lent. Each day during Lent, the children are to complete one activity on their paper. There will be a special prize waiting for anyone who brings back their completed Lenten challenge. During April, leading up to Easter, we are learning about the great sacrifice Christ did for us when He died on the cross on our behalf.

If you have not had a chance to join a Sunday School class, now is the perfect time. We have children's classes for all ages. There are two great adult classes as well. The Seeker's Class is taught by Pastor Mark and Hank Hemphill. This is an in depth Bible Study. They are studying the beloved story of Ruth. This class meets in the Legacy Hall. The Voyager Class, which meets in the conference room, is an interactive, discussion oriented class. They are currently reading together and discussing The Battle Plan for Prayer. Books are provided for the class members. There is also time for prayer requests. All classes start at 9:45 a.m. and end by 10:45 a.m.

Parish Nurse Nook

Happy April! As the weather starts to warm and flowers start to bloom, April’s topic is all about life. April is National Donate Life Month (NDLM). According to the Living Legacy Foundation (LLF) of Maryland, there are currently about 114,000 people in need of lifesaving organ transplants in the U.S., with about 3,400 in need in Maryland. These patients receive a transplant based upon several factors including blood type, tissue type, medical urgency, waiting time, expected benefit, geography, and other medical criteria when a deceased donor is identified.

One donor can save up to eight lives through organ donation, and enhance more than 75 lives through tissue donation. Donation is only considered after all life-saving efforts have been exhausted. Deceased donors can provide tissues, corneas, and organs such as the kidneys, pancreas, liver, lungs, heart, and intestines. The living organ donation process allows living individuals to donate whole kidneys or parts of the liver. This process can drastically cut down a person’s wait on the transplant list.

Federally designated organ procurement organizations (OPOs), like The Living Legacy Foundation (The LLF) here in Maryland, coordinate and facilitate organ, eye, and tissue donation. Many OPOs, like The LLF, include services like donor family support, professional education, and community outreach.

I have been lucky in my career to meet many people who have been the recipients of organ donation, and whose family tragedy has resulted in providing life to others. Organ donation can greatly impact a person’s life.

How you can help. You can save and enhance lives through donation by saying “yes”. You can say yes to donation at the MVA or by registering online at www.donatelifemaryland.org. By registering as a donor, you can give hope to the thousands waiting for a life-saving transplant. Once you register as a donor, share your decision with friends and family. It is important to share this information with family and friends so that they know your wishes to be an organ donor. If you live in Maryland and aren’t sure if you are a registered donor, simply look at your driver’s license to see if it says “organ donor”. Until next month, be well.

Bible Study

The Winter/Spring Bible Study continues on Thursdays, at 6:45 p.m., and will be finished at 8:00 p.m. We are studying the letter to the Galatians and on Peter's two letters. If you need child care, please contact Pastor Mark.

Sunday Evening Class

We will be starting a new Sunday evening study on March 31. **At 6:00 p.m., we will wrap up our Victory in Spiritual Warfare study. At 7:00 p.m., we will begin our new Tony Evans series entitled Kingdom Disciples.** Here is a brief overview of the study: "There's a missing key in Christianity. It's a critical one, and its absence has led to weak believers, ineffective churches, and a decaying culture. That missing key is discipleship. Kingdom Disciples calls believers and churches back to our prime responsibility: to be and make disciples. Only when we take this assignment seriously will the world see Heaven at work on earth."

Correspondence Bulletin Board

Please check out the correspondence bulletin board in the hallway. There are addressed cards for our away college students and military personnel. Each card is ready to go, except for a message from you. Pick up a card and encourage someone away from home.

College Care Packages

We will be sending out care packages to our away college students this month. If you would like to donate something, please bring it to the church no later than April 17. Suggested items are: small bags of crackers or cookies, granola/cereal bars, gum, etc.

Thank You

On behalf of the staff and families of Ronald McDonald House Morgantown (RMH), I would like to thank you for your contribution to our Pull Tab Recycling Program. Your generosity enables us to continue our mission of providing a safe and comfortable place for our families.

Few medical crises are more devastating or frightening than a child with a life-threatening disease, unexpected injury, or illness. When a family has to travel to another city or state to receive medical care for their child, the added stress and financial burden can be overwhelming. RMH opened in 1990 in Morgantown to help ease many of these burdens, keeping families close when they need it most. It is only with support from the community that we are able to continue to provide a warm and caring environment for all families regardless of their ability to pay.

Again, from everyone at RMH, I would like to thank you for your continued support of our families and mission.

Sincerely,

Kara Kimble, House Manager

The collection for Blanket Sunday was \$417.00. Thank you for your generous contributions.

Thank you for your support of Mount Hope Prison Ministry as we enter into 2019. At the beginning of each year, we like to challenge inmates to read their Bibles...

It is wonderful to see new Christians with a teachable spirit and desire to apply God's Word to their lives! May we all seek God's face and allow Him to change us in 2019!

God bless you,

Chaplain Wanda Singleton

Library

During Lent, we are offered a wide variety of activities that set the stage for Easter morning. These books may help us realize the reality of those events, then and now.

- The Angels were Silent, by Max Lucado, offers a thought provoking account of the final days of Jesus' life on earth.
- Another Lucado book, He Chose the Nails, explains the crucifixion of Christ, His sacrifice, and God's love for us.
- Jesus, written by Charles Swindoll, takes readers on a journey through the life of Jesus—His birth, teaching, healing, death, and resurrection.
- The Promise is a true story, written by the author under a fitting pseudonym, Karen Easter. She shares how God gave her answers when there seemed to be none, and hope when all seemed hopeless during her unexpected pregnancy.

Stewardship

As the seasons change, so do some of our expenses. April showers should bring rain, not snow! That means expenses budgeted for snow removal will now be used for grass mowing. Bills for heating will be replaced by bills for air conditioning. Projects that might have been delayed because of the cold can now be addressed.

We can celebrate that several projects were completed during the winter months:

- Balcony floor was leveled
- Increased audio and video capabilities
- Replaced sanctuary roof
- M. P. Moller organ was digitalized
- An additional staff person is in the process of being hired to coordinate youth and young adult ministry.

Thanks to you and your continued generous support of our ministry, we have the finances available to pay for each of these. We are so blessed!

Membership

While we may hope April's showers bring rain instead of snow, we know the Good News of Jesus' resurrection. Throughout the month, there will be many activities to help us remember the events leading up to the celebration of Easter morning. There will be three services on Easter. Following the 7:00 a.m. Sunrise service on Easter, there will be a continental breakfast in the Legacy Hall. Please sign up to let us know you plan to join us.

Whether you've been attending a few weeks, a few months, or a number of years, you are invited to participate in any church activity. Stop by the counter in the parlor, and sign up for what interests you.

We often have lots of visitors during this time of year. Please continue to reach out to them with a smile as you ask them to sign the attendance pad. Visitors who leave an address receive a note card from this committee, and a welcome letter from the office. Remind guests to stop by the Welcome Table for a visitor bag, which contains information about our ministry, the current newsletter, a welcoming note, a magnet, a pen, and some other goodies. We want guests to know the Good News of Easter lingers throughout the year at St. Andrew!

Endless Pasta and Salad Bar

There will be a pasta and salad bar on May 5, after the 11:00 a.m. service, for the youth summer trip. There will be assorted pasta, meat sauce a la Mason, shrimp Alfredo, and marinara sauce Abondanza. Gluten free options will be available. The cost is \$8 for those 12 and over, \$5 for ages 4-11, and under 3 eat for free.

Witness & Mission

We have been busy delivering Micah's backpacks to underprivileged children in local schools.

We are now preparing personal care bags for the Salvation Army Women & Children's Shelter, and CASA, to be delivered for Mother's Day. We will also be collecting the One Great Hour of Sharing offering at Easter.

If anyone would like to get involved in any of these projects, and more, join us the second Monday of the month at 7:00 p.m.

Creation Music Festival

Creation Music Festival has been providing Christian music for over 40 years. We have been attending for over 20 years. It is a great time of listening to great music, incredible speakers, and enjoying the camping experience. The Festival takes place on a large farm outside of Mt. Union, PA. It is a great time to see new artists and enjoy your favorite artists in concert. The week of Creation is June 26-30, 2019. The cost is only \$140 per person. For more information, please contact Chris Johnson. If you would like to go, please sign up on the sheet in the parlor.

From Janet Bulow

Last year, my aol address was hacked, and after working with aol for months, it was NOT fixed. I asked them to disable the account; however, it is still being used by someone, and sending out strange comments, as well as trying to sell a diet product in my name. I have had some calls about the diet product, but I am NOT selling anything. Those emails even came to my new address. I marked them as SPAM, and no longer get them. If you have this problem, please mark it as SPAM. I apologize for this. My new email is janetbulow@gmail.com.

Big Creek Mission Trip

If you have never been on a mission trip and would like to serve in a meaningful way, the Big Creek Mission Trip would be ideal for you. There are three tracks in which you can volunteer.

The Childrens' Ministry track involves going out to where the children congregate, such as a park or a church, and providing a VBS kind of experience for them. Last year, this involved games or inflatables or snack or a Bible Study. You serve at the level in which you are comfortable and with training.

The Community track involves going to the homes of the elderly and cutting their grass or visiting with them. The Community group is also involved in taking a food truck to the poorest of the poor. We have also visited in nursing homes and group homes.

The Construction track involves renovating a person's home such as roof repair, siding, to putting on a ramp or a new porch.

We would love to have you go on this significant experience. We have four slots left. We will be serving from July 21—27, 2019. The cost is only \$200. Please sign up on the sheet in the parlor. For more information, please contact Pastor Mark.

Children's Choir

Did you know we recently started a children's choir? Any child in 8th grade or below is invited to join. Jeff Clise, our Musiic Director, meets with the children in the choir room (off Friendship Hall) from 9:40—10:00 a.m. on Sundays. At 10:00, the children are dismissed to their Sunday School classes. If you are above 8th grade, and like to sing, come and join the adult choir. They meet every Wednesday at 7:30 p.m. They will be singing Easter Sunday at the 11:00 service.

The Rules of Chocolate

Put “eat chocolate” at the top of your list of things to do today.

That way, at least you’ll get one thing done.

A nice box of chocolates can provide your total daily intake of calories in one place.

Isn’t that handy?

Chocolate covered raisins, cherries, orange slices, and strawberries all count as fruit, so eat as many as you want.

Chocolate has many preservatives. Preservatives make you look younger.

Eat equal amounts of dark chocolate and white chocolate.

That way you have a balanced diet.

Diet tip: Eat a chocolate bar before each meal. It’ll take the edge off your appetite and you’ll eat less.

The problem: How to get 2 pounds of chocolate home from the store in a hot car.

The solution: Eat it in the parking lot.

If you’ve got melted chocolate all over your hands, you’re eating it too slowly.

If you can’t eat all your chocolate, it will keep in the freezer.

But if you can’t eat all your chocolate, what’s wrong with you?
