## *Rooted in Love, Grounded in Grace, Growing for God*

Dear Friends,

In this column this year, we are going to focus on what it means to be a member of or attached to a church. Last month, we looked at the fact that we are to be peacemakers in order to reflect the love of Christ.

The Book of Order, which defines our day to day activities as a Presbyterian congregation, states that another aspect of being a faithful member means that we are to be “participating in the governing responsibilities of the church.”

Each active member is blessed to participate in the leadership of the church. This involves being a member of committees which are responsible for all of the programs of the church. There are six committees. Administrative Committee oversees the finances and the staff compensation packages. Christian Education oversees the education moments of the church from Sunday School to Youth Group to Young Adults. Fellowship oversees the kitchen and our meal ministry. Membership Support is responsible for evangelism and stewardship. Witness and Mission coordinates all of our mission efforts outside of the church. The Worship Committee oversees all of the worship opportunities in our church life which includes the music.

Everyone is welcome to join a committee in order to assist in the running of church. You can make an impact by sharing your ideas and expertise. If you want to share in this exciting way of serving, you can talk this over with me at any time.

In addition to this, an active member has the ability to speak in congregational meetings as well as vote. Active members can also hold office such as being an elder or a deacon. Join by meeting with Session. The next Session meeting will be June 3, at 7:00 p.m.

Please remember that we are the faithful ones. And so as members and attenders of the Church, when we live out the love of Christ, we show others that we are truly grounded in grace, that we live in love, and are growing for God.

In Christ's Love,  
*Pastor Mark*

***\*Pastor Appreciation Trivia\****

Each year, the Pastor Care Committee comes up with a unique way to show Pastor Mark and Annette appreciation for their servant hearts and ministry. This year, there will be several questions about both of them in each newsletter. After their many years of ministry at St. Andrew, how well do you know our Pastor and our Director of Christian Education? Answers can be found in the June 2nd bulletin. This month's questions focus on vacation:

- What type of place do Mark and Annette go on vacation?
- When do they usually take a vacation?
- Who do they usually vacation with?
- Why might they travel to the state of Washington?

**Directed Scripture Reading**

All year, we are going to have a directed Scripture reading. We will be directing you to read a specific Scripture each day. Ponder on it. Meditate on it. Allow it to speak to you. Each year, we have sought to give you a means by which you can go deeper in your faith. Here are the Scriptures for this month:

June 1	Psalm 88	16	Psalm 103
2	Psalm 89	17	Psalm 104
3	Psalm 90	18	Psalm 105

## Book Club

The evening book club will meet on Tuesday, June 4, 7:00 p.m., in the conference room. We will be discussing The Master of Disguise, by Antonio Mendez. The evening book club will take a break for the summer, and will meet back on September 3. We will be discussing Jefferson's Daughter, by Stephanie Dray. Pick up a copy and enjoy this book during the summer. Join us for great discussion in September.

The date for the daytime book club is TBA, 1:30 p.m., at Panera Bread. We will be discussing The Discovery, by Dan Walsh.

## Suns Baseball Night

Come join your church family for a night at the Hagerstown Suns on August 23. The game is a 7:05 p.m. game with doors opening an hour ahead of the game. This year we have upgraded our seating. We are now sitting in the grandstand—covered and with backs to our seats. Everyone will receive a voucher for a hot dog, chips, and a drink of their choice. The evening will end with a fireworks display. All of this for only \$17! There will be payment envelopes in the parlor. You can put your payment in the envelope. If writing a check, make it out to St. Andrew. Please sign up on the sheet if you plan on attending. This has always been a fun tradition of attending a Suns game together as a church family before the summer ends. Hope you can join us, and feel free to invite a friend. Please sign up and make payment by August 4. Thank you.

## Helping Hands

Our last Helping Hands until September will be on Thursday, June 6, from 10:00 a.m. until noon. Lunch will be provided for everyone that day.

A big THANK YOU to all who came to Helping Hands and volunteered your services throughout the year. Without your labor of love many things would not get done, or they would take many long hours to complete. As the old saying goes, “Many hands make a light load.” Thank you so much for:

- Folding thousands of bulletins
- Putting together countless craft projects
- Making cards for the shut-ins of the church
- Stuffing 100s of Easter eggs
- Preparing Harvest Hoedown scarecrow bags
- Counting endless coins for the One Great Hour of Sharing
- Painting flower pots
- Organizing Sunday School curriculum and putting together the crafts for Sunday School
- Preparing for Vacation Bible School
- Preparing bags for the homeless mats
- Boxing up packages to send to our college students

Wow! This list is exhausting, and is only part of what you do. You definitely need a break for the summer. Thank you from the bottom of our hearts for your labor of love for the church.

With love,  
Mark and Annette

**Toddler Class:** The students have been learning about Easter, and how Jesus is alive!

**Pre-K Class:** Congratulations to **Josiah Kesler**, and **Elsie Majeski** for memorizing their Bible verse, "Serve one another in love." Galatians 5:13.

**K/1st Grade Class:** Congratulations to **Colton McKinley**, **Maggie Wise**, and **Norah Wise** for memorizing their Bible verse, "As I have loved you, so you must love one another." John 13:34. The children have been learning how families can help us know all about Jesus.

**2nd/3rd Grade Class:** Congratulations to **Abby Boppe**, **Natalie Farioli**, **Brody Hemphill**, **Kayleigh Rothove**, and **Lauren Scumpieru** who are wonderful class participators and offer so much to each lesson. Following Easter Sunday, the students have been learning Scripture dealing with life lessons—being honest, forgiving others, and controlling jealousy. The class is beginning to study Joseph, the son of Jacob. The students will learn more about how Joseph listened to God, and how he became an important and responsible leader.

**4th/5th Grade Class:** For the month of May, the students discussed the following themes: do what you can do to make peace with others; be careful when you feel jealous of others; be faithful to God in all you do; and forgive those who hurt you.

**6th-8th Grade Class:** The class has been talking about communion and what it means—the bread is the body of Christ given for us, and the wine is the blood that Jesus shed on our behalf for the forgiveness of our sins. They have been discussing failure, and how God helps us through these difficult times.

**9th-12th Grade Class:** The class is digging deeper into the stories of the Old Testament.

## **Come Join Sunday School**

We never take a vacation from growing in our faith and getting closer to God! We have Sunday School 52 weeks of the year. If you have not had the chance to join a class, summer would be a great time to jump in and grow deeper in your faith each Sunday at Sunday School. We are just beginning a brand new Summer curriculum. It's the perfect time to come and join us. There are classes for all ages, beginning at 9:45 a.m. each Sunday.

We have two adult classes. Pastor Mark and Hank Hemphill teach the Seeker's Class, an in depth Bible Study. They are currently studying I Samuel. This class meets in the Legacy Hall. Our other Sunday School class, the Voyagers, meets in the conference room. This is an interactive class that chooses a book to read and study. The books are provided by the church. Currently they are studying The Battle Plan for Prayer. The class allows for a time of sharing prayer concerns, followed up by prayer.

All children from Pre-K to 5th Grade meet in the sanctuary at 9:45 a.m. At that time, we have a brief Sunday School Opening. Each week we take up an offering that goes to support our two Sunday School sponsored children from Compassion International. Sunday School also supports the work of Samaritan's Purse, a ministry of Franklin Graham that helps in the suffering around the world. Part of the offering is also used for the ministry of the church and community. At 10:00, all children are dismissed to their classes. Parents, please note that if you have a child in grade three or younger, please pick them up from their classroom at 10:45. Thank you. All these classes are located downstairs.

The 6th-8th grade and teen classes start at 9:45 a.m. and end at 10:45 a.m. The 6th-8th grade class is located upstairs, in the room just before entering Friendship Hall. The teen class is located downstairs in the new area, on the right side.

## **Summertime Activities for Kids**

Miss Annette will be starting her Kids of the Kingdom Summertime Fun activities. She will have a summertime packet filled with all kinds of Christian activities for kids of all ages. These can be worked on throughout the summer. Upon completion, a \$5 gift card of your choice will be awarded.

We will also be starting our Summertime Reading Program. Make sure you see Miss Annette if you plan on joining the Reading Club. She will give you a reading log and instructions for the program. A special prize is awarded upon completion of the reading program.

## **Teacher Appreciation**

Please join us on Sunday, June 9, from 9:30—10:45 a.m. for a celebration of all of our teachers. We are blessed with the most amazing teaching staff at St. Andrew. We want to set aside this day and celebrate and give thanks to all who give of their time and talents teaching students of all ages. The Fellowship Committee will be serving breakfast for this special day. **Please sign up in the parlor by TODAY** so we can adequately plan for this special event. The admission to the breakfast is a note of thanks to your teacher. Index cards will be placed in the parlor for you to pick up and write your note of thanks. There will also be cards available in the Sunday School classes. Please pick up a card, fill it out, and bring it with you to the breakfast. Thank you so much. EVERYONE is invited to our celebration of our teachers.

## Parish Nurse Nook

This article is dedicated to all of the men in our congregation. Happy Men's Health month!

Did you know that on average, men are dying at an earlier age than women in the United States, with an approximate gap of five years? The leading causes of death in men in the United States include heart disease, cancer, unintentional injuries, diabetes, homicide, and pneumonia. Men tend to lead less healthy lifestyles, and engage in more risky behavior. They also tend to work in more dangerous occupations, and have less healthcare coverage. Finally, men are less likely to seek out preventative care or visit a health care professional than women. Although these trends point towards an earlier death for men than women, there are things you can do to decrease your risk of some early causes of death and improve your overall health.

**Heart disease:** Heart disease is the leading cause of death in men in the United States. Some signs and symptoms of a heart problem that would require a doctor's attention include: fatigue, dizziness, and chest pain. If you experience any of these symptoms, call 911 immediately!

**Prostate cancer awareness:** Prostate cancer is the second most common cancer in American men, and is most common in men age 65 or older. Although prostate cancer is a serious condition, most men diagnosed with the disease do not die from it. The exact cause of prostate cancer has not been identified, so it is unclear whether the disease can be effectively prevented. However, living a healthy lifestyle and taking control of preventable risk factors such as smoking, weight, and diet, can help to lower your risk of developing prostate cancer in the future. There are two common initial tests that your doctor may perform: Prostate Specific Antigen (PSA) blood test and/or Digital Rectal Exam (DRE), starting at age 50. Men should talk to their doctor about the advantages and disadvantages of the prostate cancer screening tests.

**Unintentional injuries:** Unintentional injuries are simply accidents. Specifically looking at men, they are the number three cause of death in the United States and number four overall. Death rates peak around 18-22 years of age, a secondary peak for adults in their 40s, and then rise continually with age among adults 70 years of age and over. These peaks correlate with unsafe driving, risky behavior at work, and falls among our three groups, respectively. Unintentional injuries include those from falls, fires, drowning, poisonings, motor vehicle crashes, sports, recreational activities, and heat related illness. In the summer, keep your skin covered, drink water, and take frequent breaks. Make sure you keep grills away from the house and anything that could catch on fire. Make sure ladders are stable before climbing. Use a spotter if one is available. When using tools, wear proper eye gear, use proper hand placement, and always cut away from you.

Our Parish Nurse, Kelly Llewellyn, has office hours at the church each Sunday morning from 9:45-10:45 a.m., in the room across from the conference room. If you have a question or concern, stop by and see her. Kelly does a blood pressure check at each monthly coffee hour. If you would like to have yours checked before the next coffee hour, stop by her office and she will gladly check it for you.

Our quarterly Parish Nurse Event, Stop the Bleed, will be held on Sunday, June 2, after the 11:00 service. Details have been in May's newsletter, and in the bulletins. **If you are planning on attending this event, you must register by TODAY.**

- WWJD, by Bruce Bickel and Stan Jantz. Identifies and addresses 30 situations we might face in life, and uses scripture to illustrate what Jesus did in similar instances.
- They Call Me Dad, by Ken Canfield provides powerful insights and practical applications to strengthen a father's relationship with his children.

## Witness & Mission

We collected \$1332.11 for the One Great Hour of Sharing ministry. Thank you to all who donated.

When you are having yard sales this summer, remember to save long sleeved, button down shirts and pantyhose for our scarecrows.

## Membership and Stewardship Support

Summertime begins with Memorial Day and lasts through Labor Day. Kids don't have school. Families take vacations. Even TV shows go on hiatus. It seems like everyone and everything takes a break from routines over the summer, except for the ministry at St. Andrew. Our weekly worship services and Sunday School classes continue throughout the summer. Our staff follows their regular schedules. Coffee hours, Shepherd's Table, and the food bank still happen during summer. We do not slow down over summer. We actually pick up some activities that can only be done in summer: VBS, Big Creek mission trip, Creation Fest, and our back-to-school picnic to name a few. We hope to see you at some of our summer activities.

Since St. Andrew's ministry continues during summer, we depend on your financial support even if you are not present. Salaries, utilities, and building and grounds expenses still need to be paid. Curriculum materials, coffee and kitchen items, and all paper goods (from bulletins to TP) are still purchased.

Remember, no matter where your summer vacation takes you, you can keep up with our events through our website: [st-andrewpresbyterian.org](http://st-andrewpresbyterian.org). Enjoy your vacation, and hurry home!

## Creation Tickets

We are not going to Creation this year. If you would like to purchase one or more of our tickets, the cost is \$75 each. Talk to Chris Johnson about this.

I also appreciate all of the delicious meals that several people have brought, as well as the time and effort that went into their making. This award goes to a young woman who has led an outstanding life living out their Christian faith in all areas. This is quite an honor, and we are so proud of you, Gabby! She is also an honoree in the Student Service Learning Program. Gabby has also achieved the Academic Achievement award.

Gabby has been attending St. Andrew ever since she was a little girl. She has been actively involved with Sunday School, Youth Group, Bible School, and mission trips. She is also our #1 babysitter for all programs of the church when there is a need for a sitter. We are so proud of you, Gabby, for all your achievements. May God continue to guide and direct your future plans!

### **Derek Metz**

Derek graduated from Shepherd University on May 11. His major was Political Science. Derek plans to continue working this summer. This fall, he would like to begin working on obtaining a Master's Degree in Secondary Education.

Derek started attending St. Andrew Church when he was in the Pre-K class where his mom, Jennifer, began her first year of teaching at St. Andrew. Derek went through all the Sunday School classes here at St. Andrew. (His mom is still with the Pre-K class. Thank you, Miss Jen.) Not only was Derek involved in Sunday School, he was also involved with youth group and Bible School. It has been such a joy watching Derek grow up in the church. May the Lord continue to bless you as you pursue your dream of becoming a secondary teacher!

This is all the information we received from our graduates. If you recently graduated, please turn your information in to the office as soon as possible. We will highlight you in an upcoming bulletin.
