FEBRUARY 2020

Rooted in Love, Grounded in Grace, Growing for God

Dear Friends,

In the sermon of Sunday, January 12, I gave you a means by which you can remember the Ten Commandments using your ten fingers. Here is the repeat of that portion of the sermon.

As we learn the Ten Commandments, we can celebrate a God who loves us and also a God who saves us. We are saved to live in community with each other. At St. Andrew, we show this by how we live together—grounded in grace, living in love, and growing for God.

In Christ's Love,
Pastor Mark

Youth Group

February is an exciting month. It's time for our annual chili cook-off. Hope you have been practicing those recipes. Come out on February 16 and share them with everyone. Perhaps you'll win the coveted title of St. Andrew Chili Champ. Check in the parlor for the sign-up sheet to enter your chili. There will also be chili and hot dogs for sale at the event.

In March, the youth will be having their Spring retreat. The dates are March 27—29. The theme is "Keeping your faith in a chaotic world". Details will be sent out later in February.

Presbyterian Men

The Presbyterian Men will have their monthly meeting on February 18, 6:00 p.m., at Hagerstown Family Diner. Come and enjoy a time of great food, fellowship, and Bible Study.

Presbyterian Women

Did you know that whenever you purchase items at our bake sales or craft bazaar, buy buckeyes or See's candy, go on one of our trips or return your coins in a blessing bag, you are actually buying food for the hungry, providing shelter for the homeless, and bringing the Word of God into the prisons? By so generously supporting our PW fundraisers, you do exactly that, and more.

From our 2019 fundraiser income, we were able to donate \$500 to each of the following organizations: CASA, Halfway Fire Dept., It's a Blessing to Give a Blessing, Prison Ministries, REACH Homeless Shelter, Salvation Army, Smile Train, and Williamsport Food Bank. Thank you for your continued generosity and support.

Bible Study

Join us in the new year as we continue our journey into the Ten Commandments

with the PW Bible Study, "Loved Carved in Stone—A Fresh Look at the Ten Commandments", on Tuesday, February 11, led by Pastor Mark. Bring a friend. ALL women are invited. Please join us in growing deeper in our faith through the spiritual discipline of scripture study with others.

The morning group meets from 10:00—11:15 a.m. We will be going to lunch afterwards. Please sign up on the sheet in the parlor.

The evening group meets 7:00—8:15 p.m. Child care is provided. Please let Shirley Fox or Pastor Mark know if you need child care.

PW Coordinating Team

The PW Coordinating Team will meet on Tuesday, February 11, at 8:30 a.m.

Holly Place

The Presbyterian Women's Angel Tree for Holly Place was, once again, a great success. Thank you to everyone who showed their Christmas generosity by providing several gifts to each resident. The Presbyterian Women continue to collect: boxes of tissues, toilet paper, paper towels, adult Depends (or other brands) size L or XL, (NO diapers), and laundry detergent. Put donated items in the tub marked Holly Place, located under the counter in the parlor. Thank you for your continued support.

Buckeye Making

We will be making buckeyes in February. The dates are February 3 and 4, beginning at 8:30 a.m. The snow dates are February 17 and 18.

Blanket Sunday

Sunday, February 16 and 23, we will be collecting for Church World Services to provide people suffering from disasters around the world with blankets. Please pin your donation to the blanket in the parlor.

Lenten Scriptures

Each year, we have sought to give you a means by which you can go deeper in your faith. For the season of Lent, we will be directing you to read a specific Scripture each day to focus on wisdom and learning. Ponder on it. Meditate on it. Allow it to speak to you. Here are the Scriptures for this portion of Lent:

February 26	Psalm 32	February 29	Proverbs 1
February 27	Philippians 4	March 1	Proverbs 3
February 28	I Thessalonians 5		

Christmas Bazaar

First of all, the Presbyterian Women would like to thank everyone for their time, effort, prayers, and overall support for our 2019 Christmas Bazaar. After all the accounting has been done, the final profit from the bazaar was over \$4700. What a blessing. Now it's time to think about our next one. Our 2020 Christmas Bazaar is scheduled for Friday evening, November 13, and Saturday, November 14. While that might seem like it's far off, we need to begin our preparations now. So, we'll be starting our craft workshops in February. The dates are:

Monday, Feb. 3 9:30am—12noon

Monday, Feb. 17 9:30am—12noon

Tuesday, Feb. 25 7:00—9:00pm

We'll then be meeting every other Monday morning, and once a month in the evenings on the same day that we have Supper Club. The full schedule can be found on the Presbyterian Women's bulletin board in the hallway. Please let Marcia Davis know if you have any questions. In addition, if you prefer to work on your own crafts at home, that works, too. And let us know if you sew, do woodworking, or have other talents we don't know of. You never know how

The word search this month is Christian Virtues and Character. Since Valentine's Day is a time when we celebrate the ones we love, may we as Christians love one another as Christ loves us. Can you find the word, LOVE, in the word search along with the other virtues and characteristics that all Christians should possess? Please turn your paper in to the office with your name on it by February 17 so we can recognize you in the next newsletter.

Parish Nurse Nook

Happy February! Love is in the air for many people, or the hopes of finding love. The colors of red and white seem to be everywhere, red roses are in abundance at the flower shops, and of course, chocolate seems to be everywhere!

As a nurse, I tend to think of February in terms of the heart. I think of all the people who have been affected by heart disease, from some of my friends' youngest children to my first experience with heart disease when my grandfather had his first heart attack. Unfortunately, heart disease affects everyone from the smallest of children to adults. This month, I was able to crochet and donate some of the smallest hats in recognition of Congenital Heart Disease month (CHD), a type of heart disease that children are born with, usually caused by heart defects that are present at birth. In the U.S., an estimated 1 percent of babies born each year have CHD. CHDs that affect children include: heart valve disorders like a narrowing of the aortic valve, which restricts blood flow, hypoplastic left heart syndrome, where the left side of the heart is underdeveloped, disorders involving holes in the heart, typically in the walls between the chambers and between major blood vessels leaving the heart, including: ventricular septal defects, atrial septal defects, patent ductus arteriosus, and tetralogy of Fallot, which is a combination of four defects, including: a hole in the ventricular septum, a narrowed passage between the right ventricle and pulmonary artery, a thickened right side of the heart, a displaced aorta. Congenital defects may have long-term effects on a child's health. They're usually treated with surgery, catheter procedures, medications, and in severe cases, heart transplants.

For adults, I think about how to keep our hearts as healthy as possible. These are a few simple tips. You may notice that these overlap with some of my previous articles.

Unwind and connect. Find ways to ease stress. Talk to people you trust.

Work on your weight. It's a plus for your heart if you keep your weight at a healthy level. Exercise at least three to four times a week for 30 minutes at a time. It burns calories and helps keep extra pounds off.

Upgrade your next meal. Favor fruits, veggies, lean protein, and whole grains. Pass on foods that are salty, high in unhealthy fats, or fried. Repeat for the meal after that, and so on, until it's routine.

Rethink your drink. Limit alcohol. Moderate drinking may be OK, but more than that isn't good for your health. What's moderate drinking? Up to one glass a day for women, and up to two glasses a day for men.

Check your numbers. You may have elevated levels of blood pressure, cholesterol, or blood sugar, and not realize it. Your doctor can check all of these things. If any of your numbers are too high, he'll suggest a plan of action. Remember that each month during coffee hour, I am available to check blood pressures and talk about any concerns you have.

Don't smoke. The tobacco habit isn't just bad for your lungs. It also makes heart disease more likely. Remember we have all been affected by someone with heart disease, so this month say a few extra prayers for those who have it and wear red to show yours support for them!

I wish you a happy and healthy February and until next time, be well.

Save the date! Sepsis Alert, Sunday, March 15, after the 11:00 service. What is sepsis?

Pastoral Care

This year, the Pastoral Care Committee wishes to honor our Pastor and Director of Christian Education by providing a monthly framework for congregational prayers on their behalf. The theme for February is "Love". Throughout the month, bring to mind the many ways Mark and Annette demonstrate the love of Jesus. Remember to pray regularly that they feel God's love and a sense of God's presence.

College Care Packages

College Care packages are going out on February 5. If you have anything you would like to donate, please bring it to the office by February 5.

Correspondence Bulletin Board

Please check out the correspondence bulletin board in the hallway. There are cards waiting for a personal note to our college students. Take a moment to send our away college students a card.

Thank You

Dear friend of the hungry,

Thank you so much for your recent gift to Farmers and Hunters Feeding the Hungry. Your support truly makes a difference for people and families who struggle to put enough food on the table! We are depending on the continued generosity of individuals, businesses, and organizations as we continue to pay for the processing of all deer donated this season.

May God bless you,

Josh Wilson

Thank you for your continued support. Your kindness is greatly appreciated!

Witness and Mission

Habitat for Humanity of Washington County is getting close to finishing a new build in Smithsburg. This home is a three bedroom single story rancher. Help is needed to caulk and paint trim around the windows, doors, baseboards, and shoe mold. Volunteers are needed. The usual build days are Wednesday and Saturday, from 8:30 a.m. until 4:00 p.m., but if another day works for you, Habitat is very flexible. Please come help for the day, a half day, or even an hour or two. If interested, contact Jessica Scott at the Habitat for Humanity of Washington County office at 301-791-9009 or jessicascott@habitat-wc.org.

Thank you for donating food to the Williamsport Food Bank. This is definitely a need that our congregation helps to fill. There are items that we seem to never have enough of. The following is a list of specific needs: canned pears, peaches, and mandarin oranges, canned carrots and creamed corn, canned beef stew, canned salmon, jars of pasta sauce and canned tomato sauce, instant oatmeal and non-sugary cereal.

Thank you to all who helped with the Harvest Hoedown. Our scarecrow booth took in \$2470, and a total of \$10,500 was raised for the food bank. Save the date October 3, 2020 for this year's event.

Thank you for your generosity towards our budget for Micah's Backpack. We have increased from 15 to 20 children who are food insecure at Lincolnshire Elementary.

Church Women United Day of Prayer

Save the Date, March 6. Join with other women to celebrate World Day of Prayer at Downsville Christian Church for a noontime program and tasting of foods

Game Night

Bring your favorite games and a snack to share as we will be having another Family Game Night on Saturday, February 8, from 6:30—8:30 p.m. If you have never joined us before, come on out for a great evening of fun, food, and fellowship. There is a sign-up sheet in the parlor.

Library

February is a loving month, and there are several books in our library that will capture your heart.

First Family, by Joseph J. Ellis, is based on actual letters exchanged between Abigail and John Adams. If you enjoy biographies, American Revolution history, and love stories, this book is for you.

The Five Love Languages, by Gary Chapman tells how to understand the languages of love as you learn how to express and receive love from your spouse.

Karla Fay Tucker: Set Free, by Linda Strom is the true story of Karla Fay Tucker, who became an evangelist for Christ during her 14 year imprisonment on Death Row. You will see how God offers redemption and hope to the hardest of hopes.

Nowhere to be Found, by “Emily Thomas” is the first of a series of books that take place in the Blue Hill Library. Recently widowed Anne Gibson converted a large Victorian home, left to her by her great aunt, into a library and new home for her family in Blue Hill, PA. Each book presents a mystery to be solved. Various authors write this Guide Post series under the common name of “Emily Thomas”. These are sure to become your most loved books.

Membership

While we all practice the Ten Commandment hand signs that Pastor Mark taught us, let us think of other things our hands can do. Our hands reach out and shake the hands of a visitor who attends church or a fellowship event. Our hands pass the attendance pad and the offering plate on Sunday mornings. Our hands fold in prayer for those concerns shared with us. Our hands bring in food and supplies for the Food Bank, Holly Place, and other projects throughout the year. Even a small thing as pulling tabs from cans for the Ronald McDonald House touches the lives of families with sick children. Our hands prepare meals and coffee hour food that we enjoy, along with fellowship. Our hands fold bulletins and newsletters and send uplifting cards and packages to those unable to come to church. Our hands hammer nails, paint, and pull weeds. Our hands write checks or remove money from wallets to support our ministry. When you look at your hands, see the hands of Jesus and remember all He has done for you.

Stewardship

Our successful Stewardship Drive has officially ended. There were 99 pledges returned, and many Time and Talent forms returned. Whether you pledged or not, whether you sent in a Time and Talent form or not, your support for our ministry is appreciated.

Someone once said, “God has given us two hands, one to receive with and the other to give with.” We are a growing, dynamic church, offering programs and activities for folks of all ages. Our ministry extends beyond the walls of our church building, touching lives in the local community, in the nation, and throughout the world. Throughout the year, your generous financial support and willingness to volunteer is what makes our ministry strong and effec-
