MARCH 2020

## *Rooted in Love, Grounded in Grace, Growing for God*

Dear Friends,

The season of Lent occurs primarily in March this year. Lent is a forty day period leading up to Easter. It is patterned after Jesus' forty days in the wilderness, that can be found in Matthew 4, Luke 4, and Mark 1. Jesus spent forty days in the wilderness to replicate the wanderings of the nation of Israel as they were attempting to make their way to the promised land. The wanderings of Israel was to purify them in order for them to take possession of the land and to be a light to the nations around them.

Jesus was redeeming Israel with His time in the wilderness, as well as preparing Himself to face the challenges and temptations of the ministry that He was beginning. The temptations that Jesus would endure, as presented by Satan, were ones that Jesus would face on a daily basis. The first temptation (as found in Matthew) involved using His power for selfish reasons (turn these stones into bread). The second temptation focused on whether Jesus would test the faithfulness and goodness of God (throw Yourself off the temple). The third temptation revolved around who Jesus would worship, and who Jesus would receive His power from—God or Satan.

In our Lenten journey, we walk with Jesus and the Israelites. We are seeking to purify ourselves so that we can be a light, like the Israelites were scheduled to be. We are to face the tempter as he seeks to hurt us and derail us with all of our fears and weaknesses. The tempter does not necessarily come at our strongest point, but attacks our weakest point. As we walk our Lenten walk, realize that Jesus has done this before, so He understands. In addition to this, please know and understand that Jesus is now the Lord above all lords and the King above all kings. Jesus has the power to help us resist the tempter.

Each year, I suggest that we give something up because Jesus gave up something for His forty days. Also, we suggest the addition of Scripture reading because we know that Jesus was able to withstand the attacks on His Spirit with the Word of God. This is why we suggest that you read and know the Scripture.

As we walk this Lenten journey, we can celebrate a God who loves us and also a God who saves us. We are saved to live in community with each other. At St. Andrew, we show this by how we live together—grounded in grace, living in love, and growing for God.

In Christ's Love,  
*Pastor Mark*

## Biblical Word Search

The word search this month is on The Crucifixion. As you do this month's word search, think of the great sacrifice Jesus did on the cross on our behalf. During this time of Lent, may we be reminded of the suffering Christ endured for us. Please turn your paper in to the office with your name on it by March 16 so we can recognize you in the next newsletter. Large print copies are in the parlor.

#### Sunday School Snippets

**Toddler Class:** The children in the Toddler Class are learning about Jesus and His friends.

**Pre-K Class:** Congratulations to **Kohen Dayhoff**, **Josiah Kesler**, and **Elsie Majeski** for memorizing their Bible verse, "Jesus grew and became strong." Luke 2:40. Congratulations to **Elsie** for learning to say the Pledge to the Bible during the Sunday School opening. The class has been studying how Jesus grew from a baby to an adult.

**Kindergarten/1st Grade:** Congratulations to **Marc Lissouck** for memorizing his Bible verse, Luke 2:40, "Jesus grew and became strong." The students have been studying how Jesus grew up and became strong. He does everything to please God. We are told by Jesus, "Follow Me, so we can learn to please God."

**2nd/3rd Grade:** The students have been learning about how we should treat others. We studied lessons on how our lives are better when we understand how to put others first, stand up for what is right, and forgiving others. We learned that ALL problems, big and small, can be discussed with God through prayer.

**4th/5th Grade:** Over the next several weeks we will be focusing on the following themes and parables: Don't just listen to the Word, do what it says (using the parable about the wise and foolish builders and highlighting that Jesus is our foundation and cornerstone); we all have abilities to use for God (using the parable of the talent and teaching that we all have God given talents to be used for service to others and for His glory); show love to those who seem least important (using a parable, Jesus told how one day He will judge the nations. He used the parable about a shepherd sorting the sheep and goats (meaning the righteous and the unrighteous, and stated that anything you do for the least of them you have done for Him); God wants us to treasure Him more than anything else (using two mini-parables we will talk about seeking first His kingdom and His righteousness...).

**6th-8th Grade:** The class had three themes over the past few months:

- **Expect the Unexpected:** The class focused on expecting the unexpected from God by looking at the birth of Jesus through Mark's eyes. The class was surprised one morning when the entire class was run backwards! The students are beginning to learn to expect the most unexpected things from their Sunday School teacher.
- **Riches:** The students looked at the concept of what makes someone rich through looking at the Magi. This was illustrated by an activity where the class earned candy prizes. On the way out, the students were pronounced dead, and they had to give back their candy. (You can't take stuff with you.) Before leaving the classroom, they were asked if they had accepted Jesus. They all said yes, and received the great gift of two candy bars.

**Teen Class:** Thank you to **Quentin**, who steps up to contribute to the lesson each week. Thank you to **Gabby**, who takes a lead in prompting questions to keep others talking. Thank you to **Zerach**, who contributes good points to the weekly discussions. The Teen Class is continuing their study on the book of James.

**The Voyager Class** is studying the book Unshakable Hope, Building Our Lives on the Promises of God, by Max Lucado. This is an interactive class, and studies and discusses a book chosen by the class. They meet in the conference room.

**The Seeker Class** is studying II Samuel. This class meets in the Legacy Hall, and is an in depth Bible Study. The class is taught by Pastor Mark and Hank Hemphill.

Thank you so much to all our Sunday School teachers who faithfully come each week to teach the Word of God to students of all ages. We truly have the best teachers in our Sunday School program. If you are not plugged into a Sunday School class, please join us on Sunday mornings at 9:45. We have classes for all ages, from toddlers to two adult classes. If you have any questions, please see Mark or Annette. We want to thank all those who come out to support our Sunday School program each week. Also, a big thank you to all the parents and grandparents who bring their children and grandchildren faithfully to Sunday School each week. Thank you for making Sunday School a top priority.

## Vacation Bible School Preview

Plan on staying after the 11:00 service next week, March 8, for a VBS preview. We will be revealing this year's VBS theme, looking at curriculum and crafts, and sampling some snacks for VBS. At this meeting, you will have the opportunity to sign up to volunteer, as well as register your children. We are hoping everyone who comes will be interested in being a part of this year's VBS team. There will be jobs for everyone: teachers/helpers, craft and snack helpers, registration help, canteen help, counting coins, helping with the opening skits and music, photographer, etc. Hope to see you on the 8th. If you are not able to attend, please see Annette Sandell.

## Thank You

I would like to thank everyone for the showing of sympathy in the recent passing of my father, Edwin Stenger. The cards and messages were so nice, as were the visits at the viewing. The flowers from the choir were absolutely lovely, and so uplifting! Thanks to all again for your warm kindness.

## Parish Nurse Nook, *by Kelly Llewellyn*

Happy March! March is National Brain Injury month. For many, this might be a topic you are less familiar with, but you might be surprised to realize that you all know someone who has suffered a brain injury. Brain injury is unpredictable in its consequences. Brain injury affects who we are and the way we think, act, and feel. It can change everything about us in a matter of seconds.

An acquired brain injury (ABI) is an injury to the brain that has occurred after birth. The injury results in a change to the brain's neuronal activity, which affects the physical integrity, metabolic activity, or functional ability of nerve cells in the brain.

There are two types of acquired brain injury: traumatic and non-traumatic. A traumatic brain injury (TBI) is defined as an alteration in brain function, or other evidence of brain pathology, caused by an external force. Traumatic impact injuries can be defined as closed (or non-penetrating) or open (penetrating). A few examples of traumatic brain injury include: falls, sports injuries (concussions), car accidents, gunshot wounds, and military actions (blast injury). A non-traumatic brain injury is an alteration in brain function or pathology caused by an internal force. Non-traumatic examples include: stroke (hemorrhage, blood clot), seizure, lack of oxygen (drowning, choking, hypoxic/anoxic injury), and drug overdose. A brain injury may also be classified as mild, moderate, or severe to indicate the initial severity of the injury. Other terms, such as diffuse or penetrating, may be used to describe the type injury.

Immediately following a brain injury, two things occur: brain tissue reacts to the trauma from the injury with a series of biochemical and other physiological responses. Substances that once were housed safely within these cells now flood the brain, further damaging and destroying brain cells in what is called secondary cell death. Depending on the severity of brain injury, effects may include temporary loss of consciousness or coma, respiratory (breathing) problems, and/or damaged motor functions.

Unlike what is seen in the movies, waking up following loss of consciousness is not immediate, and sometimes can be quite difficult for the individual and their loved ones. There are various neurologically-based symptoms that may occur during this period, such as irritability, aggression, posturing, and other issues. Post-traumatic amnesia (PTA) is also typically experienced as an injured person regains consciousness. PTA refers to the period when the individual feels a sense of confusion and disorientation, i.e., wondering who or where they are and what has happened to them, and an inability to remember recent events. As time passes, these responses typically subside, and the brain and other body systems approach stability. Unlike bones or muscle tissue, the neurons in the brain do not mend themselves. New nerves do not grow in ways that lead to full recovery. In fact, certain areas of the brain remain damaged, and the functions that were controlled by those areas may be disrupted and lead to challenges in the individual's life.

In conclusion, it is important to remember that a person with a brain injury is a person first, no two brain injuries are exactly the same, and the effects of a brain injury are complex and vary greatly from person to person, and the effects of a brain injury depend on factors such as cause, location, and severity. If you have the opportunity to decrease your risk of brain injury, do so. Wear helmets, take care of your health, and remember that those who have sustained injury need your support.

As I end this article, I want to close with thanking each and every one of you for the support this past year. March is my Parish Nursing anniversary! I can't believe this year has flown by so quickly. Thank you for reading the articles each month, for attending the blood pressure checks, and for sharing your stories and ideas with me. It has been a truly enjoyable experience to be your Parish Nurse. Please reach out to me at any time with ideas and suggestions. I am always open to your ideas.

### **Quarterly Education: Sepsis**

Join me on Sunday, March 29, at 12:15 p.m., as we talk about all things sepsis. Come learn what sepsis is, what the signs and symptoms are, and what to do if you suspect you may have this. Bring your questions as we engage in this interactive discussion.

## **Lenten Scriptures**

Each year, we have sought to give you a means by which you can go deeper in your faith. For the season of Lent, we will be directing you to read a specific Scripture each day to focus on wisdom and learning. Ponder on it. Meditate on it. Allow it to speak to you. Here are the Scriptures for this portion of Lent:

## **Sunday Evening Class**

We will be starting a new Sunday evening study entitled, **“The Power of God’s Names”**, on Sunday, March 15, 6:00—8:00 p.m. We will have a workbook provided for everyone attending. **Please sign up by March 8** so we can have enough workbooks for everyone. This will be a DVD/workbook format. There is a sample study guide in the parlor. Here is a brief overview, written by Tony Evans: “This study will show you that God has a name for any and every situation you will find yourself in. When you get to know the different names of God, you will know more about His character, and have a better understanding in His ability to act in your situation. You will learn to rest and discover peace and power in His care for you. God is waiting to show you more of who He is. Call on Him in the

## **Pastoral Care**

This year, the Pastoral Care Committee wishes to honor our Pastor and Director of Christian Education by providing a monthly framework for congregational prayers on their behalf. The theme for March is "Blessings". Throughout March, be thankful for the many ways we are blessed by the ministries of Mark and Annette. Also ask God to shower blessings on them each day as they minister to the changing needs of our church family.

## **Paint Party**

If you are attending the Paint Party today, go directly to the Legacy Hall after the 11:00 service to start your project. Lunch will be provided for everyone. Please pay when you arrive. Thank you.

## **Softball Vendor Event**

## **Congratulations**

Congratulations to our basketball team. They placed first in the regular season, and then won the season ending tournament. Congratulations to Dwayne Jamison and the players!

## **Correspondence Bulletin Board**

Please check out the correspondence bulletin board in the hallway. There are cards waiting for a personal note to our college students. Take a moment to send our away college students a card.

## **Worship Committee**

It is with great sadness that we announce that Ken Harbaugh has resigned from his responsibilities as Head Usher. For over 20 years, Ken has served here at St. Andrew in this capacity. While we are attending Sunday School classes and worship, Ken is working behind the scenes to ensure that all is well. In addition to seeing that we have ushers to collect the offering, Ken is checking doors for our safety, turning off unused lights, and making sure everyone knows when it's time for worship as well as other duties. Thank you, Ken, for your humble service to God and His church.

This year's Easter Cantata will be April 5, at 4:00 p.m. We are blessed to have such an amazing choir. Please make time to come and enjoy their God-given talents. They work hard for us. Let's show them our appreciation.

## **Witness and Mission**

Thank you to everyone who donated to the Souper Bowl offering. We received \$700 for the Williamsport Food Bank.

CASA sent us information about volunteering to be a court appointed special advocate for a child. If anyone is interested in learning about this, please check out the information on our bulletin board.

Farmers and Hunters Feeding the Hungry is having a benefit banquet and auction on Friday, March 13, at Tri-State Fellowship. The information is on our bulletin board.

Fellowship of Christian Athletes is having a Victory Dinner on March 14, at Cortland Mansion. Information on this dinner is on our bulletin board.

If you are interested in joining the Witness and Mission Committee, just come to the meeting at 7:00 p.m., on Monday, March 9.

## Game Night

Bring your favorite games and a snack to share as we will be having another Family Game Night on Saturday, March 14, from 6:30—8:30 p.m. If you have never joined us before, come on out for a great evening of fun, food, and fellowship. There is a sign-up sheet in the parlor.

## Library

Lent is a time to be drawn closer to Jesus, often through prayer. These books may enhance your prayer time.

- **What** to pray: [The 21 Most Effective Prayers of the Bible](#), by Dave Earley, includes a collection of biblical prayers that produced results.
- **How** to pray: Max Lucado's [Before Amen](#) offers the power of a simple "pocket" prayer.
- **Why** pray: Rick Warren's popular [The Purpose Driven Life](#) guides you through a 40 day spiritual journey to help you understand God's purpose for you.
- **When** to pray: [These High Green Hills](#) is the third book in the Mitford series by Jan Karon. Father Tim demonstrates that prayer is an essential part of your life, especially when lost in a cave.
- **Who** prays: You can find more books on prayer in our library!

## Membership

"Friendly, Pastor's sense of humor, active, wonderful music, strong Sunday School, welcoming", these are actual comments made by visitors recently, and are the reason they return. Thank you for your willingness to speak to the stranger, to offer direction to one who seems lost, to extend an invitation, or to introduce one to another. All of these actions strengthen our community of faith and demonstrate our caring church family that others long to be part of. There is always room for one more in our pew, around our coffee hour table, in our Sunday School class, or at any of our events. Like Jesus, we extend the invitation, and the visitor will often respond, "I think I've found my church home."

## Stewardship

March comes in like a lion and goes out like a lamb. Sometimes that is how it is with church. We experience "lion" times when we are busy with so many projects, which all seem to happen at the same time: special activities, mailings, fundraisers, and fellowship meals. Add to those, emergencies and other unexpected events. However, we also enjoy "lamb" times when only the routine weekly events occur. We appreciate your support throughout the year. Thanks for willingly giving of your time and talents, and generously giving of your finances. Because of you, whether we are taming a lion or cuddling a lamb, we can manage without being blown away.

## Inquirer's Class

We will be holding an Inquirer's Class on March 8 and 15, during Sunday School at 9:45 a.m. If you are interested in finding out how to become a member, or what it means to be a Presbyterian, this is the class for you. Please sign up on the sheet in the parlor, or with Pastor Mark.
