JUNE 2020

## *Rooted in Love, Grounded in Grace, Growing for God*

Dear Friends,

As the nation begins to open up and all that goes with it, may we remember that God is the source of our strength and guidance. As I was pondering this, I came upon a prayer that Peter Marshall prayed over the nation during WWII. I thought it appropriate for us today:

“Our Father, we pray for this land. We need Thy help in this time of testing and uncertainty, when humans who could fight together on the field of battle seem unable to work together around conference tables for peace.

May we begin to see that all...begins in being Christian; that life can have no other foundation, as it has no other roots...

We would pray that all over this land there may be a return to the faith of those men and women who trusted in God as they faced the perils and dangers of the frontier, not alone in crossing the continent, in building their cabins, in rearing their families, in eking out a livelihood, but in raising a standard of faith to which others have been willing to repair down through the years...

Make us, the citizens of this land, want to do the right things. Make us long to have right attitudes. Help us to be Christian in our attitudes. Let all that we do and say spring out of understanding hearts.

Make us willing to seek moral objectives together, that in united action this nation may be as resolute for righteousness and peace...

Bless those who bear responsibility. May they be led by Thee to do that which is right rather than that which is expedient or politically wise. Save us from politicians who seek only their own selfish interests. Illumine the minds of management as well as labor, that there may be an end to selfishness and greed, to the stupidity of humans who are unable to find in reasonable agreement solutions to the problems that plague us.

Bless this land that we love so much, our Father, and help her to deposit her trust, not in armies or navies, in wealth and material resources, or in achievements of the human mind, but in that righteousness which alone exalts any nation, and by which alone peace can finally come to us. This we ask in that name that is above every name, Thy Son, Jesus Christ, our Redeemer. Amen.”

May we work together to lift those who are alone and those in need. May we demonstrate in our actions that we are grounded in grace, living in love, and growing for God here at St. Andrew.

Your faithful servant,

*Pastor Mark*

## Youth Group

In June, we will have Youth Group on the 7th, 14th, and 28th. This is further into June than we usually go, but with all the excitement of the past few months, we thought we would extend it. If you would like to join our Zoom youth groups on Sunday nights, send me an email at [rcjyayamc@gmail.com](mailto:rcjyayamc@gmail.com), or text me at 301-992-7426, and I will get you on the invite list. Youth group is open to youth in 6th—12th grade, and their friends in the same age group.

July 19-25, we are still planning on the mission trip to Big Creek, KY. Everything for that is in a holding pattern, and a final decision will be made as it gets closer as to whether we are going or not.

One of the big youth events that happens every May is Dessert Theatre. If you have a talent you would like to share to help boost people's spirits, I am considering putting together a virtual Dessert Theatre that could be shared on the church Facebook or website. Please contact me for details if you are interested.

## Young Adults

Happy June, and hope you are all doing well. Summer is here, and hopefully everyone can be out enjoying the sun. Starting in June, we will be doing a Zoom Bible Study. If you are interested in being a part of this, please contact me at [rcjyayamc@gmail.com](mailto:rcjyayamc@gmail.com), or 301-992-7426.

## Presbyterian Men

The Presbyterian Men will probably not have their monthly meeting on June 16, 6:00 p.m., at Hagerstown Family Diner. If things change, we will let you know.

## Presbyterian Women

### Bible Study and Coordinating Team

Bible Study and Coordinating Team meet-

ings take a break in the summer. We will start back up on September 8.

### Holly Place

The Presbyterian Women continue to collect: boxes of tissues, toilet paper, paper towels, adult Depends (or other brands) size L or XL, (NO diapers), and laundry detergent. Put donated items in the tub marked Holly Place, located under the counter in the parlor. Thank you for your continued support.

## Church Women United

The Church Women United State Meeting, scheduled for June 20, has been cancelled.

The next CWU event will be the Fall Fellowship Dinner, which focuses on human rights. It is tentatively scheduled for September 28, at St. Andrew. We will confirm this closer to the date.

## Confirmation Class

Confirmation Class, for those in grade five and above who are interested in church membership, will begin when the stay at home is lifted. If you are interested, please contact Pastor Mark.

## Big Creek Mission Trip

As we prepare for our mission trip in July, we are able to take unused prescription medicine to the poor of Kentucky. If you would like to donate any medicines, please contact Pastor Mark or Chris Johnson. Thank you.

Dear Pastor Mark, Annette, and friends at St. Andrew,

I cannot thank you enough for your prayers, food,  
and thoughts for me during this COVID-19 virus shelter  
in place ordeal. It has been such a hard time, particu-  
larly with my respiratory health issues, which seriously  
limit my ability to venture from my apartment. I miss  
being able to attend church services and to worship  
with my church family. However, it is such a blessing  
when Pastor Mark and Annette show up at my door  
with meals and desserts made with the love of our  
church family. In addition, with each visit, they bless  
me with their prayers, and that means so much too. I  
am humbled by the love, fellowship, grace, and prayers  
of my church family. This shows that our Lord, Jesus  
Christ is with us through all things, and that we will  
again be able to be together soon. I pray daily for you  
all.

With Christian love,

Congratulations to those who completed May's word search. We have two word searches this month. One is dedicated to all the Men of the Church, and the other is dedicated to all our teachers for teaching us "The Teachings of Jesus". ## **Congratulations to All Our 2020 Graduates!!**

We are so proud of you and all your accomplishments. Forms were sent out to all our 2020 graduates to fill out and return to the church. If you did not get one, please call the church right away so we can get one out to you. If you have not filled one out yet, please do so, and send it back to the church so we can recognize you.

### **Meghan Long**

Meghan graduated from Clear Spring High School. Congratulations to Meghan, as she received Highest Honors—4th in her class! She is a member of the National Honor Society. Wow! That is quite an accomplishment, Meghan. This fall, Meghan will be attending Hagerstown Community College. Meghan plans on becoming a dermatologist P.A.

It has been such a joy watching Meghan grow up in the church. She has joined us every summer on our Mission trips to Big Creek, Kentucky. There, Meghan served the community by mowing grass, painting local schools, visiting with the elderly, working at the clothing pantry, and serving meals to needy children. Thank you for serving the least of these Meghan. You reflected the love of Jesus by sharing your love and compassion to those in Kentucky.

You are in our thoughts and prayers as you begin a new chapter of your life. May God guide and direct your steps each and every day. It will be so exciting to see where God leads you.

### **Vincent Ross**

Vinnie will be graduating from Washington County Technical High School. This summer, Vinnie will be looking for a job in construction.

Vinnie has been attending St. Andrew ever since he was a little boy. It has been so much fun watching Vinnie grow up over the years. If you have joined us at Supper Club at the Western Sizzlin, you probably saw Vinnie working there. Vinnie has always been active in Sunday School and youth group. He has been on several of our Mission Trips to Big Creek, KY. Each year, Vinnie has worked on the construction job site. He and his crew would go out and help repair homes, add ramps and decks, and do whatever the homeowner needed. The owners were so blessed to have Vinnie and his crew do major renovations, all in the name of Jesus. Besides doing repairs, people on the construction site had the opportunity to visit with the homeowners and to share Jesus with them. Thank you, Vinnie, for sharing your skills with the people in Kentucky, and making a difference in their lives.

Vinnie, you are in our thoughts and prayers as you embark on a job in construction. The Lord has given you the gift of working with your hands. Thank you for sharing that gift with so many people, and especially to the ones in Kentucky!

### **Rebecca Rutledge**

Rebecca will be graduating from West Virginia University with a degree in graphic design and dual minors in music performance (voice) and art history. Wow! What an accomplishment, Rebecca. She had the opportunity to be an intern at the WVU newspaper. This summer, Rebecca will be working on her portfolio and helping to remodel their home. Eventually, Rebecca would like to get a design job in marketing and advertisement and move out West. (As long as it is no further west than Martinsburg!)

It has been such a joy watching Rebecca grow up in our church. Not only was she involved in youth group, she was the youth group President and was involved in Youth Sunday and Easter Sunrise. She was very active in our church choir and handbells. Rebecca would often sing solos on special occasions for us at church. Christmas Eve was so special when Rebecca would sing a beautiful solo during the special music time of the service. We have been so blessed by the music you have shared with us on numerous occasions.

Rebecca, you are in our thoughts and prayers as you launch into this new and exciting phase of your life. God has great plans for you. It will be so exciting to see where God will be placing

### **Garrett Woods**

Garrett Woods graduated from Williamsport High School and Hagerstown Community College. Garrett was a STEMM Technical Middle College graduate from H.C.C., where he earned his Associates Degree. He was inducted into the Math Honor Society, Mu Alpha Theta, as well as the National Honor Society from Williamsport High School. He was also awarded the Celebration of Excellence Honors Award that is given to any students with a G.P.A. higher than 3.7. He was a member of Phi Theta Kappa, a college honor society, and was on the Dean's List every semester while at H.C.C. Wow! Garrett, that is a lot to be accomplished. We are so very proud of you.

Garrett will be attending the University of Maryland, College Park. He would like to get a Bachelor's degree in Civil Engineering, and eventually obtain a Master's Degree. This summer, Garrett will pursue his education by taking online classes through H.C.C. Hopefully, he can sneak in a vacation before college begins, and perhaps get a job.

Garrett has been attending St. Andrew since middle school. He has always been active in youth group (served as president for a year), and in Sunday School as well. Each year, Garrett and his brother, Owen, have been instrumental in our Easter Sunrise services. This year, Garrett gave the sermon for the Easter Sunrise service. Garrett and Owen are our skit masters each year for VBS. Garrett, God has great plans for your life! May the Lord guide and direct in your next chapter in your life. Thank you for sharing your gifts and talents to all of us here at St. Andrew.

### **Olivia Brown**

Olivia Brown graduated from Alta High School. She was an honor graduate, and graduated a year early. Wow! Olivia, that is quite an accomplishment to graduate a year ahead of schedule. Olivia will be attending Hagerstown Community College this fall.

Olivia has been attending St. Andrew since infancy. As a baby, she was in the church service being held by either her grandfather, Art Brown, or her grandma, Jane Brown. It has been so much fun watching Olivia grow up in the church, going through Sunday School, Kids of the Kingdom, and youth group. What a wonderful legacy that is being established as her daddy, Jerred Brown, was brought up in the church by his parents, Art and Jane. Now Jerred has continued the legacy by raising his daughter in the church as well. The biblical truth of Proverbs 22:6, "Raise up a child in the way they should go and when they are grown they shall not depart from it." is being lived out in this family.

Olivia, God has great plans for you in your life. We keep you in our thoughts and prayers as you begin a new and exciting chapter in your life. May God continue to bless you in all that you do. It will be exciting to see where God leads you.

### **Destin Paul**

Destin graduated from South Hagerstown High School. Destin is a natural born athlete, and was involved in unified tennis, bocce, and track. He lettered twice in all three sports. He was also on the JV baseball team. His future plans are to go into landscape design.

Destin has been coming to church ever since he was a young child. He has been active in Sunday School, church, and youth group. In youth group, he helped with the Easter Carnival, the Harvest Party, and Harvest Hoedown.

It has been such a joy to watch Destin grow up over all these years. He is at church almost every Sunday, and is always willing to lend a helping hand whenever there is a need. Often times, when we have the younger children together for a special activity, Destin is willing to help out with our program. We appreciate your servant's heart and willingness to serve whenever there is a need.

Destin, you are blessed by the many talents that God has given to you! May your talents be used to glorify our Lord and Savior. How exciting it will be to see how God uses you as you enter

## **Sunday School Corner**

Generally, the third Sunday of May is set aside for our Teacher Appreciation Celebration. We are so blessed to have such wonderful teachers here at St. Andrew. Since we were not able to meet together to physically thank our dedicated and faithful teachers, we showered them with thank you cards and notes of appreciation that were sent through the mail. Words are not enough to thank all those who planted the seeds of the Word of God in the hearts of God's children of all ages, and then continue to water and nurture those seeds each week during Sunday School.

*This song is dedicated to all our teachers and to all those who have lead another person to Christ.*

### **Eternally Grateful**

I Thessalonians 3:9, Hebrews 13:7 (Written by Denise Davis and Michael Puryear)

---

Here are some thoughts from teachers, and how it has influenced their lives:

1. What do you like best about teaching?

\*Watching the youngest children learn about God's love and understand the lesson and answer the questions.

\*Not only do I teach, but I learn as well.

\*It helps me strengthen my relationship with the Lord as I prepare my lessons and teach.

\*Knowing that I am serving God.

2. How has it helped you grow in the Lord?

\*I have learned many insights and lessons from the Bible just as my students have.

\*It has helped me learn more about God.

\*It helps me strengthen my relationship with the Lord as I prepare my lessons and teach.

\*I have grown in my faith with God when I teach.

3. What are your thoughts about influencing a person's life for eternity?

\*I know that I am a tiny seed in God's garden, but I love seeing the children grow and learn.

\*It is a wonderful feeling knowing you play a part in showing students how to have a great relationship with the Lord.

\*It is wonderful!

\*What an honor!

4. Any other thoughts about being a teacher?

\*Teaching Sunday School is a privilege, not a chore. I am honored and blessed that God called me to this ministry.

\*I teach children at the earliest stage in development, and they touch my heart as they grow and leave to the next level of development.

\*It is fun and rewarding.

We are certainly looking forward to the day when teachers can be back with their students. What a great day that will be! Until then, packets of their weekly lessons are sent home to the Sunday School students. Please complete your Sunday School lesson, put your name on your work, and bring them back to Miss Annette when we get together. She will look them over, share them with your teacher, and will reward you with a gift certificate for Sweet Frog or Chick-fil A. If you would like to share what you are doing in Sunday School, send a picture, drop it off, or email what you are doing. Pastor Mark will highlight your work in the church service. Until then, keep safe and healthy. Have fun with your Sunday School projects. Can't wait to get back together again!

## Parish Nurse Nook

*by Kelly Llewellyn*

Happy June! Hopefully, we will be able to gather soon as a church and celebrate all we have to be thankful for. Last month, we talked about May's awareness topic, Lupus, and the color purple. This month, I encourage you to continue to wear your purple in honor of June being Alzheimer's & Brain Awareness Month. Wearing purple in the month of June is to show support for the millions of people worldwide struggling with Alzheimer's or another form of dementia. It's also a time to recognize caregivers for the unwavering support they provide to those suffering with Alzheimer's and other forms of dementia.

Alzheimer's is a degenerative brain disease that is caused by complex brain changes following cell damage. It leads to dementia symptoms that gradually worsen over time. The most common early symptom of Alzheimer's is trouble remembering new information because the disease typically impacts the part of the brain associated with learning first. As Alzheimer's advances, symptoms get more severe, and include disorientation, confusion, and behavior changes. Eventually, speaking, swallowing, and walking become difficult. There is no way to prevent, cure, or even slow Alzheimer's disease. Though the greatest known risk factor for Alzheimer's is increasing age, the disease is not a normal part of aging. And though most people with Alzheimer's are 65 and older, approximately 200,000 Americans under 65 have younger-onset Alzheimer's disease.

In contrast, Dementia describes a group of symptoms associated with a decline in memory, reasoning, or other thinking skills. Many different types of dementia exist, and many conditions cause it. Alzheimer's disease accounts for 60—80% of dementia cases. Dementia is not a normal part of aging. It is caused by damage to brain cells that affects their ability to communicate, which can affect thinking, behavior, and feelings.

For caregivers, the longest day may seem like every day in their lives, providing aid for activities or daily living like bathing, dressing, and eating. These tasks can become sources of frustration for the person providing the aid as well as the loved one with dementia. Quite often, the only thing in the caregiver's control is their response to the frustrating circumstance. If you know of family or friends who are dealing with these diseases, I encourage you to offer support to them in whatever way you are able. It takes a village for many medical issues, and I am grateful to be part of such an amazing church family who does that each and every day. Safe blessings.

Thanks,  
Kelly

## Scriptures

Each year, we have sought to give you a means by which you can go deeper in your faith. We will be directing you to read a specific Scripture each day to focus on wisdom and learning. Ponder on it. Meditate on it. Allow it to speak to you. Here are the Scriptures for this month:

## Vacation Bible School

VBS will be moved to August. We are hoping to have VBS the week of August 24-28. A lot depends on how the reopening is unfolding. We will update you of any changes. There will be snack items that need to be purchased. We will post what is needed at a later date. We are looking for assistants to the teachers in just about every grade level. If you would be willing to assist a teacher, please let us know. You can call in to let us know you would like to help at any time. We especially need helpers in the younger grades. Thank you so much for your willingness to serve. If your children are planning on attending VBS this summer, please call in to register your children, or drop your registration form off at the church office. If you are leaving a message, please state their name, age, grade completed, and t-shirt size. Thank you so much. We are in the process of ordering curriculum, crafts, and getting t-shirts. The church number is 301-223-8887. We will keep you updated as we see how things play out over the next few weeks.

## Pastoral Care

This year, the Pastoral Care Committee wishes to honor our Pastor and Director of Christian Education by providing a monthly framework for congregational prayers on their behalf. Throughout June, July, and August, as you pray, bring to mind the many activities Mark and Annette do during the summer. Ask God to keep them safe each day and provide them with times of joyful respite, even as they continue to minister to us.

## Important Notice!

**We will keep you informed about what comes next in terms of worship and activities at St. Andrew. We are working on plans for opening worship and other activities. We will let you know in the variety of formats such as letter, Facebook, email, and calling tree. We appreciate your support and prayers during this very unusual time in the life of our nation, and of course, in the life of St. Andrew.**

## Service of Hope

The Service of Hope has been rescheduled for October 18, at 4:00 p.m., for those who are facing this crisis of addiction. We will have speakers who are in recovery, those who lost loved ones, and those in the helping profession. We will light candles and share in prayers.

## Pastor Mark Away

Pastor Mark will be on Study Leave June 2—7, and he and Annette will be on vacation June 21—27. If you have an emergency, please call your Parish Leader.

## Friday Club

Friday Club will not meet again until September.

## Bible Study

Pastor Mark's Bible Study will continue in June. We will study the Name of Jesus. The Bible Study will be on each of the Thursdays. It will be on Facebook Live. Watch for the time.

Your work is piling up! We will let you know when we will be meeting next. Until then, stay safe and healthy.

## Supper Club

Please join us for our June Supper Club. We will meet on Monday, June 29, at 5:30 p.m., at the Western Sizzlin'. Come out and enjoy a great meal and fellowship with your church family. Please sign up if you will be attending.

## Book Club

If you love to read and enjoy good discussion, please join us for one or both of our book clubs.

The evening book club will meet on Tuesday, June 2, 7:00 p.m., by Zoom. We will be discussing They Came for Freedom, by Jay Milbrandt.

The daytime book club will meet on Monday, June 15, 1:30 p.m., at Panera Bread. They will be discussing The Prayer Box, by Lisa Wingate.

We welcome your input for this newsletter. Please place all submissions in the newsletter box in the church office, by the 15th of the month.

## Library

While we are staying safe at home, the church library has been lonely. When we get back to church, stop by and check it out. Our largest section is the Christian fiction shelf, which is along the choir room wall. Books by favorite authors and Guidepost series are found on this shelf. Christmas books and historical books can be found on the shelf along the far wall. The shelves nearest the parking lot house books by Max Lucado, books read by the Voyager Sunday School class, daily devotionals, and books offering help for real life situations. There is also a resource shelf of Bibles, hymnals, and study guides. Book club books now have a yellow sticker on the spine, and are together on a shelf. All are available for check-out. Just sign your name and the book title in the notebook provided. Return books to the basket and cross off your name. Once we get back to church, please stop by and make friends with our library.

## Stewardship

During our Stewardship Drive last fall, we encouraged you to support St. Andrew's ministry by giving your time, using your talents, and supporting financially. We never expected the events we are now experiencing to happen. Yet, through these difficult months, you've continued to support our ongoing ministry. Thank you!

We appreciate those who are using their time and varied talents to show love and concern to our church family. Home cooks provide meals. Drivers deliver meals, shop for others, or provide transportation to doctor appointments or grocery stores. Those who sew are making masks for hospitals, care homes, and individuals. Thank you!

Financial support for our ongoing ministry has been amazing. Offerings are getting to the church one way or another, hand de-

General Fund and Capital Improvement Fund have been blessed by your generosity. Thank you!

Our ministry continues and adapts to changes for our benefit. New ways are being found to meet the physical, emotional, and spiritual needs of our church family. We need your continued Stewardship support to do so. Thanks for all you have done, and all you will do.

## Membership Support

As we begin our third month of staying safe at home, we continue to witness the support provided to our church family. Meals are prepared and distributed as needed. We stay in contact through cards, calls, emails, and Facebook. Our virtual worship services and Bible Studies continue to provide much needed inspiration to our immediate church family. Find these on the church's web page and Facebook page. Those who live far away, or who are unable to come to church, also view the posted videos. The worship services are available on a CD upon request. Outreach ministries, such as the Food Bank, are still supported. Our ministry continues because of our staff's determination, our leadership's willingness, and by God's grace.

Although some things remain the same, there are changes taking place, thanks to the technology of Zoom! Using our computers or phones, through Zoom we can participate in weekly adult Sunday School classes, book club discussions, and committee meetings. Please contact Pastor Mark if you need directions to participate in our Zoom events.

St. Andrew is "zooming" right along with its ministry. We are finding new ways to continue to meet the needs of those in our church family, and of those in our community of faith.
